

The Boston Living Center has been a place of comfort to thousands of individuals living with HIV/AIDS for 15 years. Along with congregate meals, the Boston Living Center offers people living with HIV/AIDS hope, community, and the tools necessary to build productive and healthy lives. Please join us for a memorable evening of remembering and honoring this historic organization and looking forward with hope to its future.

For more information and directions visit the Boston Living Center's web site at www.livingcenter.org or call (617) 236-1012 ext.233. We look forward to sharing this wonderful evening with you!
